AMERICANS WIN EVENT AT TORONTO MEET.

Canadian Athletes Made a Sorry Appearance—Two Dominion Records Are Broken by New Yorkers A. C. Men.

TORONTO, Ont., Sept. 16.—The weather was all that could be desired for today at Rosedale. The results of the Canadian Amateur Athletic Union's sixteenth annual tournament in the different events do not pay a very high compliment to the ability of Canadian athletes; the Americans capturing every event. Kraenzlein, Flanagan, Baxter and Long, all of the New York Athletic Club, were the chief winners.

Two Canadian records were broken, the running high jump record of 6 feet 1 1/2 inches was broken by J. K. Baxter, he going 6 feet 2 1/2 inches. In the running broad jump, A. C. Kraenzlein, N. Y. A. C., broke the Canadian record of 23 feet 1 inch, he making 23 feet 6 1/2 inches. The world's record of 24 feet 4 1/2 inches is held by Kraenzlein, and he tried to break it, but was unsuccessful. First time was made in all the events and everything went off satisfactorily. The prizes were presented at the annual meeting of the C. A. A. U., held at the Queen's Hotel to-night.

John Flanagan, of the N. Y. A. C., easily won the 16-pound hammer throwing event, he making 24 feet 3 1/2 inches more than O'Rourke, who was second. Flanagan holds the Canadian record of 135 feet, and he tried to beat it, but could only make 154 1/2 feet.

KRAMER WON TWO HANDICAPS AT WHITE PLAINS MEETING.

By A. G. Batchelder.

Just by way of variety, Kramer, the amateur champion, participated in a "pot hunt" yesterday, the scene of his operations being the meet of the White Plains Wheelmen, up in Westchester County.

As both the open events on the card were handicaps in which the star found himself on the back mark with very substantial odds intervening before the nearest rider was encountered, the amateur king had to do some lively moving to catch the bunch, and then it required excellent discretion and uncomminuted alertness to navigate the dusty and rutty horse track and incidentally avoid collisions with the unskilled fields, wherein were many novices.

Spills there were in plenty, but in none of them did Kramer appear as a principal.

If it had not been for the supposedly unintentional kindness of Nielsen, of Port Chester, the mile race would not have been secured by Kramer, who squeezed through at the pole when the other conveniently averged out. Even then it proved a narrow verdict at the tape, with, however, the colored rider a comfortable third.

The two mile did not come as hard, and there was also luck in escaping a tangle, which brought several riders down.

Daye ran in behind the champion, with Smith, the K. C. W. boy wonder, the next prize winner.

Spill in the Pursuit.

An unusual feature of the team pursuit race, in which Hastings, Peckskill and White Plains competed, was a "spill" in which three members of the winning team came to grief just as they caught the remnants of the White Plains quartet, remounted and finally outlasted the Peckskill representatives.

It required over ten miles to evolve the winners, and the finish must have been most welcome, as the "big" team of the circuit of dirt was a bruising contest to the man with the wheel.

Interest in the thirty mile championship was marked, and Nielsen's victory met with a large degree of favor. Of the Westchester contingent, he easily had the best supply of speed.

Very much of a farce was the bicycle vs. horse, best two in three heat affair, and more of this sort will be seen at N. Y. A. C. meets. Slighting the thoroughbred, would have been an easy winner over Henry Allmen, the cyclist, had not the horse been guilty of outplaying the "strong arm" and taking the turns very wide, this being especially noticeable in the third and deciding half mile.

KID M'COY SAYS HE'LL FORCE FITZSIMMONS TO FIGHT HIM.

To the Sporting Editor of the Journal:

Mr. Robert Fitzsimmons's excuses for refusing to fight me are ridiculous in the extreme. He pretends to ignore my challenge on the ground that I had an opportunity to fight him before he fought Jeffries and having overlooked that chance, I am not entitled to any further consideration. I venture to say that had I fought Mr. Fitzsimmons at that time, myself and not he would have been Jeffries's opponent in the late championship encounter.

I am not on the eve of retiring, as he pretends to be, and am confident that I have a few good fights left in me yet. In one of these I hope to demonstrate that I am the peer of any middle weight in the world, and the ambition of my life is to fight for that title. Mr. Fitzsimmons is advertising himself as the only undefeated and legitimate holder of the middle weight championship. I seriously question his ability to scale 158 pounds, and if he can I stand ready to make a match at that weight. If he cannot, then he is assuming a title which does not rightfully belong to him, and which in all fairness he should relinquish to whoever is legitimately qualified to defend it.

I intend to force the issue on this point, and after my fight with Steve O'Donnell, of Australia, which takes place at the Broadway Athletic Club next Tuesday night, I am entitled to a forfeit with any reputable stakeholder and facing a bonafide challenge to fight Mr. Fitzsimmons for the middle weight championship of the world.

CHARLES (KID) M'COY.

McCoey and O'Donnell Fight Tuesday.

"Kid" McCoey and Steve O'Donnell will fight twenty rounds at the Broadway Athletic Club on Tuesday night. This ought to be a splendid display of scientific pugilism. McCoey is considered to be the cleverest boxer now before the public, while O'Donnell, in his capacity of boxing instructor to Harvard University, has earned distinction as a capable exponent of the bistic art. The preliminary will be fifteen rounds between Jim McKeever, a pupil of George McFadden, and Billy Needham.
